ABOUT ME

I am an emerging production professional with a solid technical background in live events. I feel at home in high-energy settings, balancing my passion for technical storytelling with a commitment to guest service. I am eager to combine these strengths to help a collaborative team drive excellence and create meaningful experiences for audiences.

EDUCATION

Bachelor's Degree in Film and Television | Minor in Korean | Montclair State University | New Jersey

May 2026

GPA: 3.2

EXPERIENCE

Hostess, Cashier, Busser & Server | Buffalo Wild Wings | Willowbrook Mall | New Jersey November 2024 – Present

- Managed high-volume service workflows in a fast-paced, time-sensitive environment to ensure optimal operational efficiency
- Synchronized real-time communication between front-of-house and kitchen teams to maintain service standards during peak high-pressure hours
- Upheld rigorous cleanliness and safety standards across all high-touch surfaces, ensuring strict compliance with local health protocols

Creative Intern | 3R Studios | Jersey City | New Jersey January 2026 – May 2026

- Managed on-set production and crew collaboration for local short films, music videos, and commercial projects
- Edited diverse multimedia assets including short films, live event coverage, and social media content using DaVinci Resolve
- Captured and managed high-impact BTS content and studio operations, including gear load-in/out and post-production workflows, to drive audience engagement

Crew Member | Multiple Live Productions | Montclair State University | New Jersey January 2023 – May 2026

- Operated studio and PTZ cameras, technical direction (TD) switchers, and audio consoles for diverse multi-camera productions, interviews, and live concerts
- Executed precise, real-time camera transitions and collaborated with directors to deliver polished live broadcasts for audiences of 100+ attendees

Talent Liaison | Sunset Social | Montclair State University | New Jersey April 2026

- Coordinated talent logistics and itineraries for The Groove Pool Collective, a band fusing old-school blues, funk, and soul with high-energy rock and pop
- Managed real-time technical requests to maintain strict performance schedules for an audience of 300+ attendees
- Facilitated clear communication between talent and crew, overseeing dressing room hospitality and assisting production teams with day-of-show logistics

Talent Coordinator & BTS Photographer | First Mountain Music Festival | Montclair State University | New Jersey February 2026

- Served as designated talent coordinator for country-pop artist Alessandra Foti, managing hospitality advancements, day-of-show logistics, and real-time contingencies to ensure a seamless show
- Developed comprehensive production books, including stage plots, I/O lists, and backline requirements to guarantee technical accuracy during live sets
- Captured and processed high-resolution behind-the-scenes (BTS) and performance photography for festival archives and multi-platform promotional use

Production Assistant | NJ Gubernatorial Debate | Rider University | New Jersey September 2025

- Managed technical floor operations by executing safe cable routing and strict gaffer standards to eliminate hazards for candidates, guests, and crew throughout the broadcast.
- Enforced on-set safety protocols by coordinating movement between candidates during live transitions and managing secure, orderly access for audience participation during post-debate Q&A sessions

Production Assistant & Live Stream Operator | UiiMiii (TikTok Shop) | Secaucus | New Jersey June 2024 – September 2024

- Managed end-to-end live broadcast logistics, overseeing multi-camera setups, audio synchronization, and real-time product integration for high-conversion TikTok Shop streams
- Drove sales growth by choreographing product demonstrations and executing timed flash sales and giveaways during peak viewer intervals to maximize audience engagement
- Standardized broadcast workflows by authoring a technical guidebook, ensuring consistent production quality and seamless stream execution across all shifts

LEADERSHIP & COMMUNITY ENGAGEMENT

Volunteer Cultural Ambassador for Korean Culture | Montclair State University | New Jersey November 2024 – October 2025

- Acted as a lead public-facing representative, delivering engaging presentations to diverse audiences and managing guest inquiries with enthusiasm
- Cultivated an inclusive, high-energy environment for 100+ attendees, utilizing strong interpersonal skills to drive community participation
- Managed site setup and fostered cross-cultural interaction, demonstrating the ability to represent an organization professionally to the public

SKILLS
